

SunSmart Kids TRYathlon Rockingham – Sunday 29th November 2009

With 100 kids turning up to race, we welcomed 22 new triathletes who came down to "try" a triathlon, and also 30 kids from other Trystars clubs (24 from Freo - great effort!) The racing was fast and furious - you could see the effort put in. Congratulations to all the kids for completing the race. Many managed big smiles despite their exhaustion, and we had some very close sprint finishes.
