

2004 Mainpeak Offroad Triathlon Lake Leschenaultia, 4th January 2004

Congratulations to Shayne Dimmer and Nat Rodin who took out the 2004 Mainpeak Offroad Triathlon at Lake Leschenaultia on Sunday! A smaller field toed the line at this years' event, and while the perfect conditions settled some nerves, the course was as tough as ever. A big thankyou to Mainpeak, Saloman, Fleet Cycles, Healthway and UWA Sports Association for their support and to the volunteers from the UWA Triathlon Club whose help on the morning of the event was invaluable. Keep an eye out for photos and a full race report coming soon and remember to support those who support us!
