

Change of Venue

There has been a late change to this years TriEvents TriSeries. An exciting opportunity has developed and TriEvents is excited to announce that the 2008-09 TriSeries will now include a race at the new development at Champion Lakes, a venue ideally suited and purpose built for the sport of triathlon.

The race will now **replace** Meelup, race four of our series, and presents an opportunity for more triathletes to participate in this race. We understand that there is an affectionate tie to the Meelup event for many triathletes however, unfortunately Meelup can no longer cater for the large numbers of participants in the TriEvents TriSeries and we hope that this may be the first of many events at Champion Lakes.

Details for Champion Lakes:

Date: Saturday February 14, 2009

Venue: Champion Lakes, Kelmscott.

Distances: *TBC*

More information will be provided once details are confirmed. Keep an eye on the TriEvents website (www.trievents.com.au) for more details on the 2008-09 TriSeries and more!
