

## Triathlon Western Australia

### EXPECTATIONS OF CLUB DELEGATES

*The Triathlon WA Board is joined by Club delegates to form the Triathlon WA Council. Although the Board may meet separately on occasion, most of its meeting activity is conducted at Council meetings which are normally held once a month..*

*The Board has Constitutional responsibility for conducting the business of Triathlon WA and, accordingly, on most matters only Board members have a vote.*

Club delegates are:

1. expected to abide by the Code of Conduct applied to Board members;
2. encouraged to attend most if not all Council meetings;
3. expected to bring to Council deliberations a Club perspective;
4. expected to report monthly (written or verbally) on their Club's activities and identify any club needs or concerns;
5. expected to keep their Clubs informed of Triathlon WA's activities as reported at Council meetings;
6. encouraged to remain in the position for twelve (12) months (July to June) and inform Triathlon WA of any change in contact details; and,
7. encouraged to involve themselves in areas of activity outside formal meetings, particularly those activities directed towards Club development.
