- 3) Willis Australia Limited has arranged this insurance program to provide benefits to those registered members of TA who, through injury or accident, incur financial loss and who would otherwise not have received assistance. The program seeks to provide benefits to those most exposed and to maintain protection at the lowest possible cost to membership. It therefore cannot provide 100% cover or a benefit for every loss that occurs. Federal Government Legislation prevents insurance companies from paying any insurance benefit for a medical service that is covered by Medicare. This legislation also applies to the Medicare gap. In addition to these policies all members are encouraged to take out Private Health Insurance.
